KANSAS CITY, Mo.---Bill Hardy and Ernie Wilson, both of Kansas City, have been selected as the 1975 Frank Cramer Award winners, it was announced today by A. O. Duer, NAIA Executive Secretary.

This award is presented annually to a man who has done the most for the NAIA National Basketball Tournament over a great number of years. The award was inaugurated in 1963 by Frank Cramer, Cramer Chemical Company, Gardner, Kansas.

Bill and Ernie will be presented their awards on Friday, March 14, at the NAIA Hillyard Hall of Fame Luncheon in the Hotel Muehlebach, beginning at noon. This is the first time in history of the award that a dual award has been presented.

Bill Hardy and Ernie Wilson, who began as business partners in July, 1949, have been very active in the NAIA Honorary Coach program. This is the 20th year that the pair has served in the Honorary Coach activities.

The 1975 Frank Cramer winners are still looking for the "winner". During the 20-year span the duo had a third place finish in the tournament with Grambling State University and four times have finished with a fourth place team--Fairmont State College WVA twice, Fort Hays State College KAN, and Gardner-Webb College NC.

Although neither played basketball, both are keen followers of the sport. Bill is a graduate of Westport High School and Ernie received his degree at the University of Missouri-Kansas City in 1949.

"If there was ever a time that two men deserved the same award, it is with Bill Hardy and Ernie Wilson. They go together like ice cream and apple pie. They have been a tremendous pair in the NAIA Honorary Coach program," explained A. O. Duer, NAIA Executive Secretary.

UPON RECEIPT

KANSAS CITY, Mo.---Willis Reed, a 1964 graduate of Grambling State University LA, has been selected as the seventh recipient of the NAIA Distinguished Alumnus Award. The announcement was made by A. O. Duer, NAIA Executive Secretary.

Reed will receive his award at the 38th Annual NAIA Basketball Tournament Tip-Off Banquet on Sunday, March 10, in the Hotel Muehlebach beginning at 6:00 p.m.

The former New York Knickerbocker star has been a great credit to NAIA basketball while at Grambling, at the NAIA basketball tournament in Kansas City, as a member of the 1963 United States Pan American team, and as a professional basketball player.

As a starting center for four years at Grambling, the 6-10 Reed led the Tigers to the NAIA National finals in Kansas City three times. In those three appearances, Grambling won the 1961 tournament and finished third in the 1963 classic.

Willis ranks 14th in NAIA tournament scoring, having averaged 22.8 points in 12 championship games in which he played.

After having been an NAIA First Team All-America basketball selection in both 1963 and 1964, Reed received his B.S. degree in Secondary Education from Grambling in 1964. That summer he was selected to the NAIA All-Star team that participated in the Olympic Trials which took third place. Reed played on the 1963 United States team that won the Gold Medal in the Pan American games. He was drafted in 1964 in the second round by the New York Knicks.

In 10 seasons with the Knicks, Willis was not only a great scorer, rebounder, and defensive threat in every game but his leadership on the Knicks squad was responsible for the New York team playing in the NBA playoffs seven times in 10 years and winning the 1969-70 and 1972-73 World titles.

ADD 1---WILLIS REED

Willis played in a total of 650 games for the Knicks in his professional career and tallied 12,183 points for an 18.7 average. He pulled down a total of 8414 rebounds for a 12.9 average and finished with a 47 percent field goal average and a 75 percent mark from the free throw line.

The seven years of playoffs stats read almost the same as his season performance--he averaged better than 17 points per game and almost 11 rebounds per contest. His seven years in the NBA All-Star game was slightly under his season record--12.5 points per game and eight rebounds.

Reed was a triple-crown winner in 1970 as he was named the Most Valuable Player in the All-Star game, the MVP in the NBA Playoffs, and the MVP in the NBA. He was also the Most Valuable Player in the 1973 Playoffs.

Willis was inducted into the NAIA Basketball Hall of Fame as an athlete in 1970--the year he won the triple crown in the NBA.

Reed joins a select group of distinguished alumnus honored by the NAIA-- Joe Foss, a Sioux Falls SD graduate; Richard M. Nixon, a Whittier CALIF graduate; Merle Harmon, former Graceland IOWA athlete; Henry "Hank" Iba of Westminster College MO; Bob Devaney, Alma College MICH graduate; and Arthur A. Fletcher, graduate of Washburn University KAN.
